## Ladybirds

This week we have been practicing taking turns with our friends when mixing ingredients together and the result was a big tray of delicious shortbread biscuits! We have also enjoyed listening to our new Christmas song in Singing and Signing lesson: "Snowflake"!!!

## Lions

Our little lions have been trying really hard to come to the circle this week. We've enjoyed choosing and singing action songs laughing as we all tried to roar like a lion and scream as the crocodile came along  
Snap, snap, snap!

## Grasshoppers

We are looking forward to seeing Grasshopper's back next week.  
Well done for working hard at home.

## Emus

This week in Emus we have been enjoying PE, working on throwing and catching skills, rolling balls down a ramp and throwing balls into a net.

## Elephants

This week in Elephants class we decorated Pudsey, choosing paints, collage materials and glitter.

## Bumblebees

The Bumblebees have been making healthy snacks for the last few weeks. They love to hear the blender when they press a switch to puree fruit and vegetables.

## Bears

In Bears this week we did messy cookery! Exploring lots of textures.  
We have been using our picture symbols and on Monday we did yoga and were very calm!

## Butterflies

This week Butterflies have been decorating their Pudsey pictures choosing different colours and materials as well as making their Pudsey hats!  
Well done Butterflies for your hard work! 😊

## Rabbits

This week we enjoyed the Art lesson, we decorated the Pudsey bear and made beautiful hats.  
We also enjoyed cooking and decorating bear biscuits.

## Wolves

This week Wolves have been doing some lovely, improvised dancing to music as well as signing some of the words to our new singing and signing songs.

## Zebras

This week, we learnt about important parts of a house, and we celebrated Pudsey with cakes and beautiful drawings.

## Sharks and Leopards

This week we looked at measurements and capacity in Maths and worked in 'who? what? where? When?' sentences in Literacy. In PSHE, we talked about personal and private information. We are getting really good at using kitchen utensils too. Well done everyone

## Orwell

We have had another busy week of cooking light snacks this week we choose mini pizza these turned out to be a big success, so sorry they didn't make it home. We have also we are exploring different ways to help others and students have been very helpful to staff. By helping tidy college and keeping it clean. Next week we will be finishing of all our AQA unit ready to be sent off to receive our certificates.

## Octopus

Have done really well this week, learning about Diwali and creating Rangoli patterns with numicom.

## Larks

In Larks this week we have been painting Christmas wreaths and taking part in sensory massage.

## Giraffes

Giraffes have be decorating Pudsey bears and today we are dressed in our PJ's.

We have also really enjoyed playing outside in the sunshine.

## Orcas

Orcas students have been practising a brand new song to go with their 'yes' and 'no' communication. They've decorated a 'Pudsey' for Children in Need and made fruit pies.

## Tigers

In Tigers this week we have really enjoyed exploring the fallen leaves out in the sunshine.

We also made 'cloud dough' using cornflour and oil.

## Eagles

Eagles have loved playing on the new trampoline this week and generally enjoying the sunshine.

## Kangaroos

We are looking forward to seeing Grasshopper's back next week.  
Well done for working hard at home.

## Koalas

Koalas have been enjoying Children In Need this week, wearing our onesies and PJ's to school.

## Owls

In Owls this week we have loved setting up and playing on the new trampoline.

## Raise

Raise has had a super week; students have been colouring in Andy Warhol style picture of themselves. Having fun cooking and eating mug cakes. Exploring water beads with tools.

## School Events

Children In Need

## Meerkats

This week we enjoyed lots of Pudsey themed messy play, crafts and activities for 'Children in Need'.  
Including a class art project to make a giant abstract Pudsey face.

## Headteacher's comment

Just a little reminder about the current covid guideline.

Please can you ensure that if your child has symptoms that you do not send them to school and arrange a PCR test.
